About

Founded in 2010, Quba has emerged as a prominent figure in the Indian architecture industry. With a robust presence in the hardware business and comprehensive in-house manufacturing capabilities, our dedication to superior design, unwavering commitment to quality and a distinct aesthetic vision define our approach.

At the core of our philosophy lies a dedication to seamlessly integrating technology and beauty, refusing to compromise on either front. We firmly believe in setting industry standards by maintaining this delicate balance.

With an unwavering spirit of continuous innovation, we aim to infuse the ordinary with the extraordinary. Our designs not only reflect a harmonious blend of technology and aesthetics but also seek to elevate and redefine the daily experiences of our diverse clientele. Join us as we pioneer innovation, making it an integral part of your everyday life at Quba.

The Quba Brands :

Crafted with utmost passion and an eye for aesthetics, Quba brings to you a wide range of elegant, innovative and reliable security solutions.

Unlock space in every corner with Symmetry. Smart and innovative kitchen and furniture fittings to make maximum out of your space and organise better.

Arteza's sophisticated and ultra-practical design language blended with superior engineering and good looks makes it a perfect fit to your home decor. Arteza collection ranges from designer architectural glass fittings to smart door control systems.

Beauty is made of details. Be it the contours, form or finish, Agua makes everyday bathing experience exquisite with the collection personifying elegance and minimalism design.

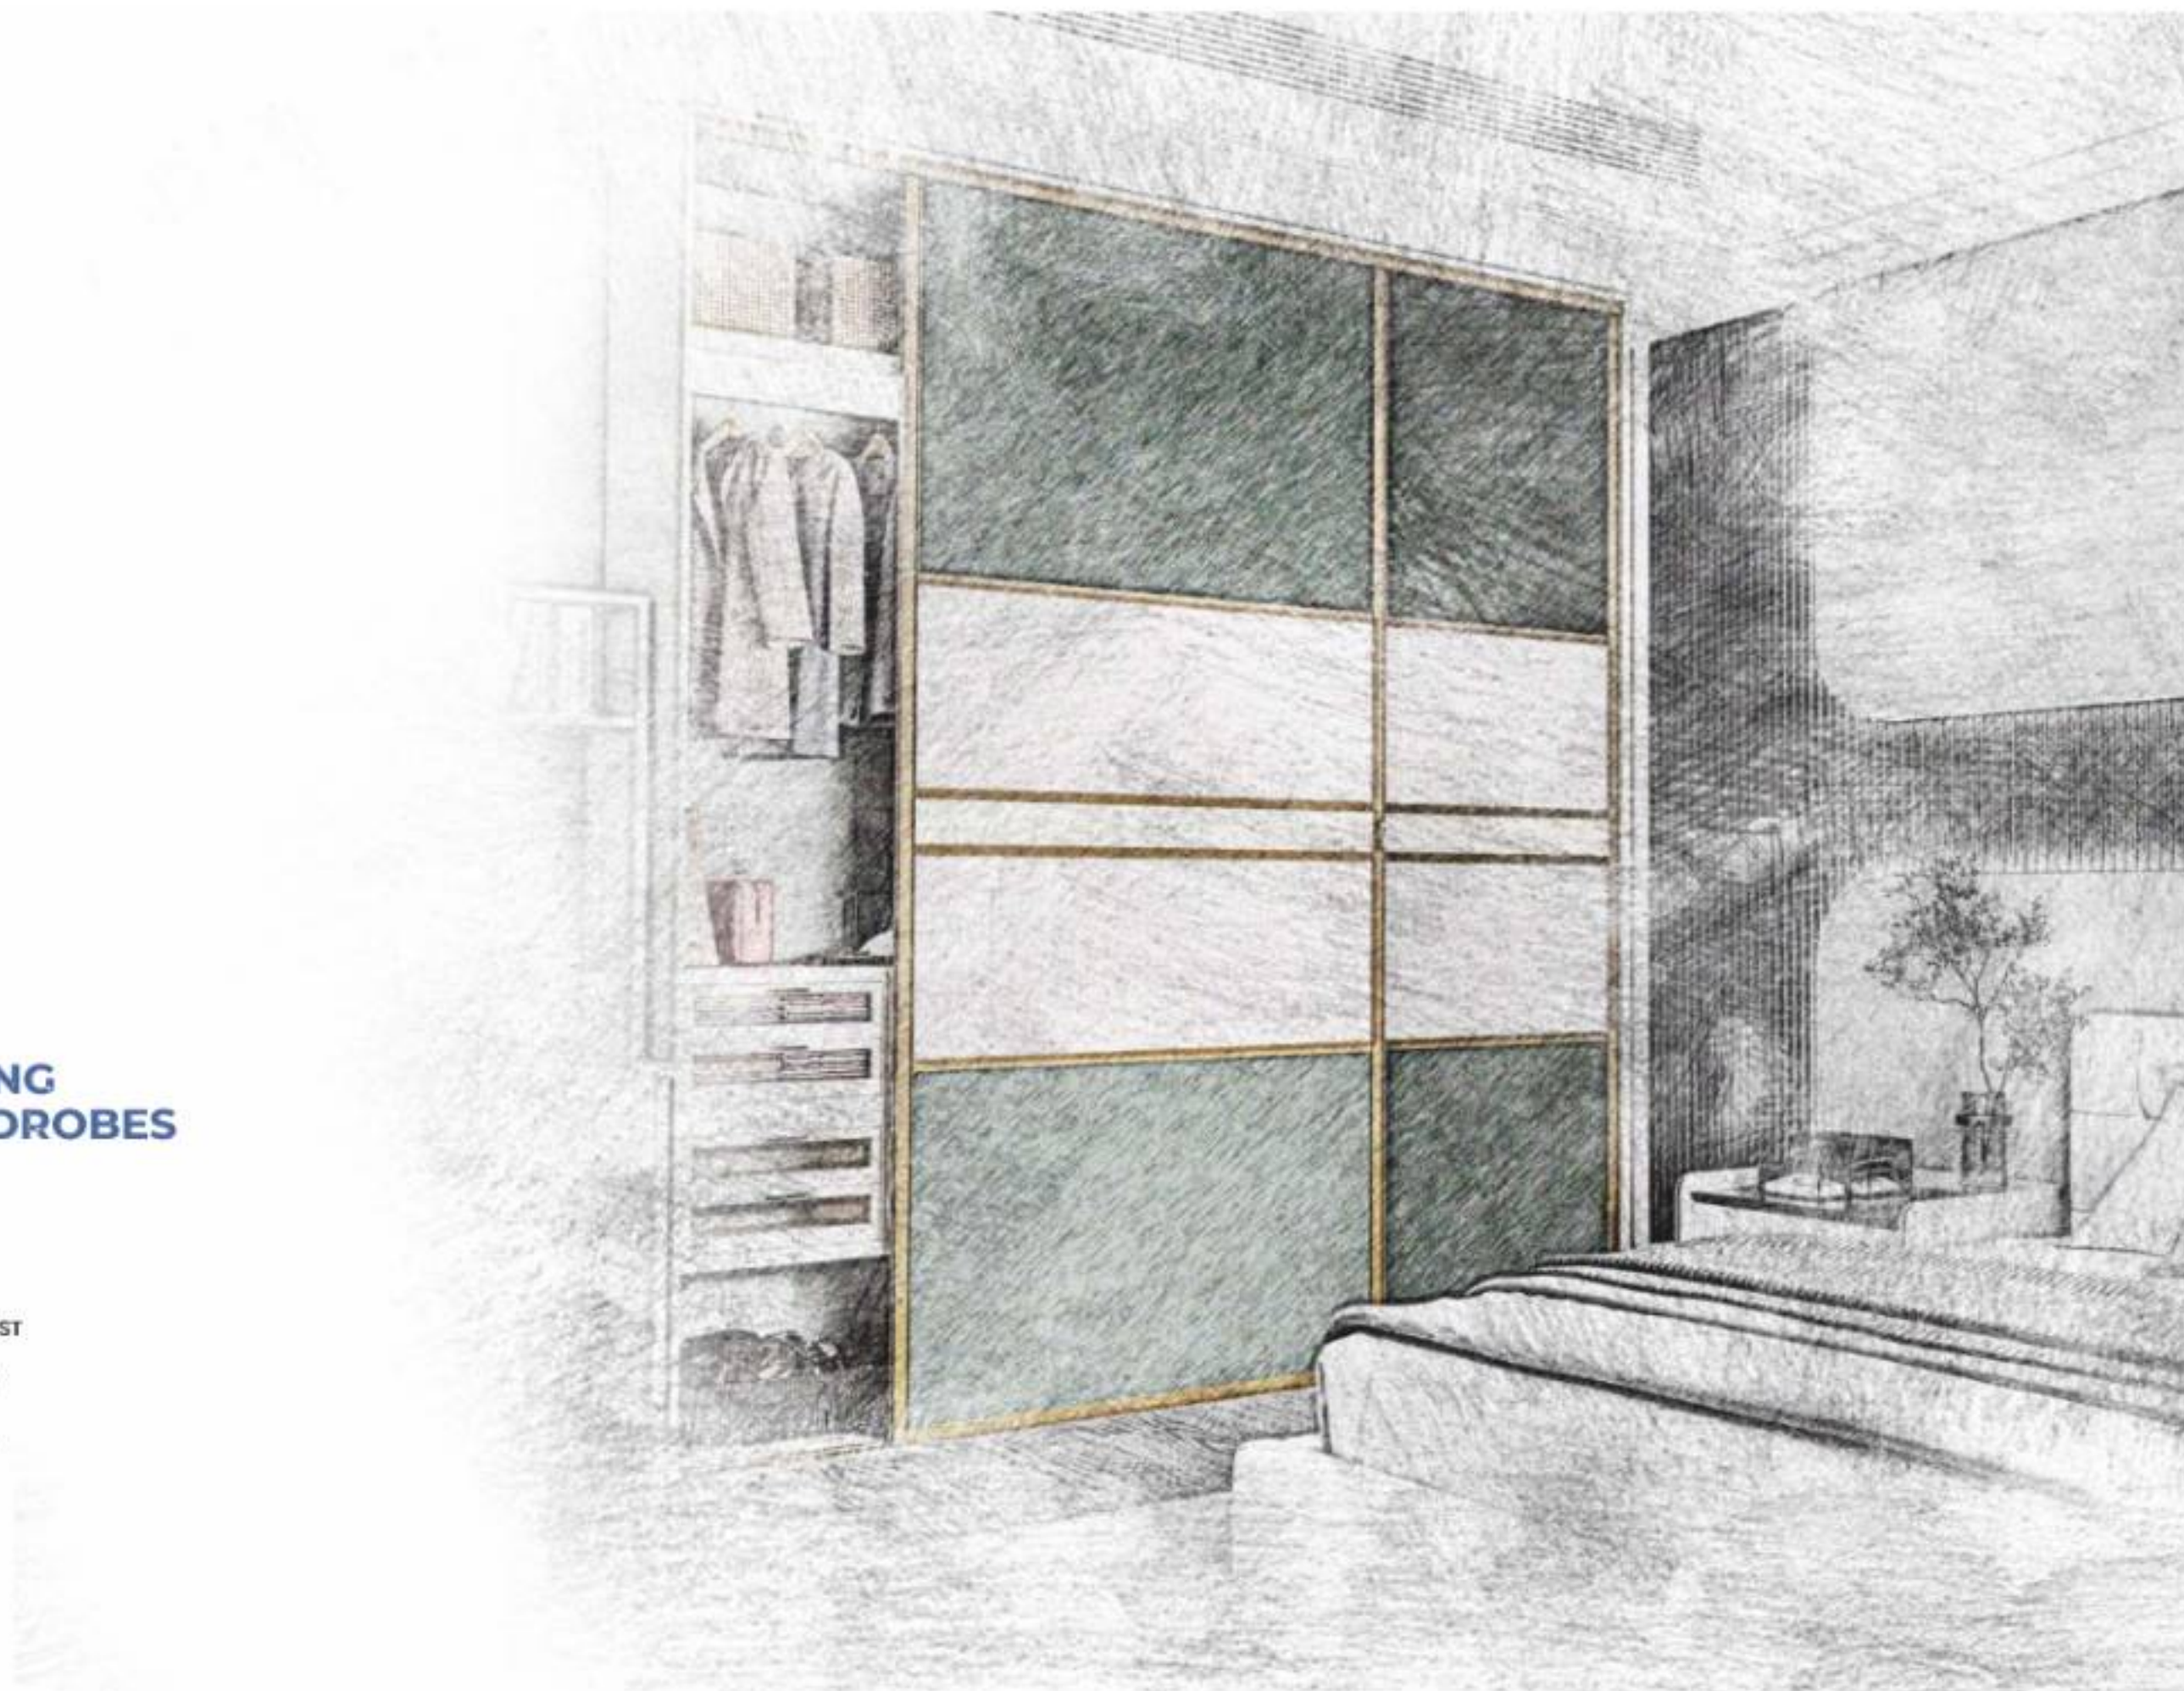

Introducing our magnificent wardrobe collection & partition systems, where aluminium-infused couture meets a magical wardrobe journey.
