CERTIFICATION

CERTIFICATE OF CONSTANCY OF PERFORMANCE

0905-CPR-151899-01

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (The Construction Products Regulation or CPR), this certificate applies to the construction product(s):

Product(s): Building hardware - Single-cylinder - Requirements and test methods (after installation) for locks and handles

Based on the market under the name or trade mark of: **Yonkers Ltd**
1 Torrey Hill, Fairfax, VA, USA 22031

and produced in the manufacturing plant(s): **US 0905**

Intended use: To be used in commercial doors fitted with door closing devices to enable such doors to close reliably and thus address self-closing in the event of fire.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex A1 of the standard:

EN 1906:2012(A1:2014)

under Section 1 of the certificate details of this certificate are applied and that the performance of the construction product fulfil all the specified requirements for these performance.

This certificate has been issued in accordance with the requirements of the CE marking and/or factory production control requirements (including the technical file(s), used to assess the performance of the declared essential characteristics, its conformity, and the construction system, and the manufacturing conditions in the plant(s) in which certified, unless assessed or withdrawn by the product certificate (s)).

The issued document and associated marks were obtained only as a consequence of conformity assessment with the CPR Regulation (EU) 305/2011 (in particular) Annexes 2 & 3. The manufacturer or their authorized representative's sole responsibility is to apply to CE marking to bring to market the construction product(s) in all other European member states and to ensure that they fulfil all applicable requirements and obligations that may arise.

CERTIFICATION

CERTIFICATE OF CONSTANCY OF PERFORMANCE

0905-CPR-00764-01

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (The Construction Products Regulation or CPR), this certificate applies to the construction product(s):

Product(s): Building hardware - Locks and handles - Structurally separated lock, handle and locking plate (after installation) for doors and windows

Based on the market under the name or trade mark of: **Yonkers Ltd**
1 Torrey Hill, Fairfax, VA, USA 22031

and produced in the manufacturing plant(s): **US 0905**

Intended use: When used with an operation door-closing device on fire and/or smoke control doors to fulfil the self-closing requirement of such doors, and intended to ensure that the door closes fully.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex A1 of the standard:

EN 1906:2012(A1:2014)

under Section 1 of the certificate details of this certificate are applied and that the performance of the construction product fulfil all the specified requirements for these performance.

This certificate, replaces 0905-CPR-00764-01, was first issued on 05/08/2016 and replaced after being in the Intertek system. Factory production control requirements included in the certificate document used to assess the performance of the declared essential characteristics, do not change, and the construction product, and the manufacturing conditions in the plant(s) in which certified, unless assessed or withdrawn by the product certificate (s).

The issued document and associated marks were obtained only as a consequence of conformity assessment with the CPR Regulation (EU) 305/2011 (in particular) Annexes 2 & 3. The manufacturer or their authorized representative's sole responsibility is to apply to CE marking to bring to market the construction product(s) in all other European member states and to ensure that they fulfil all applicable requirements and obligations that may arise.

GERMAN ENGINEERING WITH SIMPLE MECHANISM

The Magnetic lock is designed to maximise your comfort and convenience. The magnetic latch lies flush within the gear box when the door is open and is therefore virtually invisible.

- High-quality appearance thanks to flush latch position
- Wear-resistant magnetic technology, no release latches
- Pleasant acoustics

FEATURES

- According to EN 12209 - Grade 3, DIN 18251 - 1
- For single-leaf doors
- For wooden door
- Prepared for profile cylinders
- Magnetic latch, no friction noise
- Dead bold 2-turn

Technical Data

- Follower: 8mm
- Distance: 85 mm
- Backset 60mm

Accessories

- Strike Plate
- Pocket
- Fixing Screw
